Economic Development

The Board of Directors of the Forward Devils Lake Development Corporation (FDL) (a 501c(6) non-profit corporation) ask that you consider becoming an investor in FDL. In order to have success in economic development it requires a strong public/private partnership.

FDL realizes that membership investment levels should vary from business to business depending on size and your commitment to economic development.

Devils Lake executive board meetings are open to the public and typically meet the first and third Wednesday of every month at the Devils Lake City Hall at 10:00 am.

Thank you for considering to be an FDL investor! We ask that you review the four levels and check the one most applicable to you and/or your business.

Annual Investment Rates:

- Platinum Investor \$1000 Silver Investor \$250
- Gold Investor \$500 Individual Investor \$50

I want to be an investor! Enclosed is my commitment.

- Platinum: \$1000 Silver: \$250
- Gold: \$500 Individual: \$50

Business Name: _____

Address: _____
